Wayne Area

Economic Development

Greetings!

On behalf of Wayne Area Economic Development (WAED) and the entire community, thank you for your interest in Wayne. WAED is excited to welcome you to the area and to have you become a part of our community. As you will notice from the enclosed materials, Wayne Works because Wayne is a progressive, spirited, and friendly place and because of the people, institutions, and businesses located here.

At WAED, we believe getting involved or being engaged throughout the community will accelerate your process for making Wayne feel like home. The businesses and institutions in Wayne feature a plethora of products and services to satisfy your everyday needs. Further, Wayne has a myriad of activities, organizations, and events that will provide you with avenues for meeting new people and learning more about the intangibles our community has to offer.

We also invite you to become involved with WAED. Our organization creates or facilitates a diverse array of projects that includes business retention, business recruitment, community development, and community marketing. With four standing committees and multiple sub-committees, WAED is always seeking volunteers to help make Wayne a better place to work, live, and play.

If you are interested in learning more about what our community or our organization has to offer, please call or stop by our office in downtown Wayne. You may also contact WAED via email at info@wayneworks.org.

Again, thank you for your interest and welcome to Wayne!

Sincerely,

Luke Virgil
